All students in grades 6, 7, & 8 are required to participate in our annual Forensics competition. Your child will pick a category and piece to perform. The judge will evaluate the performance based on several key characteristics of effective speaking. Once they have presented the information, they will be given a rating of A, B, or C by

the judges. Their effort and rating will determine their Language grade they will receive for their participation.

The first round will be held at Drought School on February 24th starting at 2:30 p.m. Students will be given a chance to sign up for a time slot to present their choice to a judge. Should your child be se-

lected by one of the judges to move onto the regional round, they would then have the opportunity to present at 5:30 P.M. on March 10th, as Drought School is the host for all the area schools involved in the competition! Good luck!
