Date: _____

Dear Parent/Guardian:

The Norway Jt 7 School District is incorporating the use of a website www.droughtschool.net to promote the district, its educational programs and partnerships within it. As part of this website, student writing, music, or art works may be incorporated as demonstrations of the district's educational programs. Additionally, student images may be included to provide credit to authors or otherwise demonstrate student activities. For security reasons, only the child's graduation year and first name will be used. Your permission is required for this.

___ **IDO** give my permission for my child's image (still or video), writing, music, or art works to be included on the district website.

___ **IDO NOT** give my permission for my child's image (still or video), writing, music, or art works to be included on the district website.

I understand that once granted, consent will be ongoing until I complete and submit a revised **Web Page Consent Form**.

I also understand that if this form is not returned:

1. It will be assumed that I do not give my permission.
2. My child's individual activities, artwork, image (still or video), etc. cannot be included.
