Welcome Back!!!!

As we look forward to the start of the new school year, we wanted to take time to let everyone know about our upcoming athletic schedule for the 2020-2021 school year. We hope that this will help our families in planning their extra-curricular schedules outside of the school day. As you see each athletic season listed below, please keep in mind that the league is attempting to keep game nights on Tuesdays and Thursdays for volleyball. ***New this year: Basketball games will be held Monday and Wednesday nights.*** There may be nights when this is not possible, but we are going to give it our best effort. Please note that game times for the volleyball and basketball seasons have a 5:20 pm start time (B team). All school gyms will be open 30 minutes prior to the start of the first game.

A tentative sign-up will be posted in Ms. Cushing's room at the beginning of the school year and again a couple of weeks prior to each athletic season. Permission slips and corresponding paperwork for each sport will be sent home as each season approaches.

** The athletic fee per child, per sport is \$40 (not required for softball and track). The full amount will be returned at the end of each sport if volunteer commitments are fulfilled and uniforms are returned clean/undamaged**

******Please note that the dates below are close approximations and may slightly change******
